RUNNNYMEDE PARK!

DEC. 23rd, 1873.

The occasion of the grand races and Tournament, advertised to take place at Runnymede Park on the 23rd of December, was looked forward to with considerable anxiety the Order, husbands and wives and all the by the sport-loving of our community. Extensive preparations had been made by the Tar River Jockev Club, under whose auspicies the races, &c., were to take place, a brass band was employed, a considerable outlay was made for the ball and supper and the young folks were on the qui vive for a brilliant time. The weather however is not regulated for Tournaments, and the 23rd was ushered in about as ugly swaddling clothes as the most cynical could have desired, and remained in the same garb all day. The wind was direct from the northeast and was ladened with a mist that seemed to penetrate any thickness of garments; Notwithstanding the weather, however a good crowd was collected, and at about 12 M. the racing began,

The first was a trotting match, distance one mile, entered Bob Lee, by Mr. V. B. Sharpe, Ajax, by Mr. Benj, Whitley, and Dick, by Mr. Wm. Weathersbee. Bob Lee won first and third heats. Time 3:06.

Third race was a single mile dash between Flora, entered by Mr. Sharpe, and Mary Long, by Mr. Emry. Mary Long was the victor. Time 2:09.

The races having been commenced so late, all others were disposed of, and about ? o'clock it was announced that the Tournament would begin.
